### **PSI Project Management, Inc. Approved as Registered Education Provider by Project Management Institute**

Greenville, South Carolina, United States – February 11, 2016 – PSI Project Management, Inc. today announces that the Project Management Institute (PMI), the world's largest project management member association, has named it as a Registered Education Provider (R.E.P.) effective February 1, 2016. R.E.P.s are organizations that have been approved by PMI to help project managers achieve and maintain the Project Management Professional (PMP)<sup>®</sup>, Program Management Professional (PgMP)<sup>®</sup> and other PMI professional credentials. These organizations have met PMI's rigorous quality criteria for course content, instructor qualification, and instructional design.

Project managers are increasingly turning to R.E.P.s for certification training and maintenance, especially since global median salaries for the profession now exceed \$81,000 (USD). PSI Project Management, Inc. endeavors to provide students with the knowledge to both pass the appropriate exam, as well as obtain knowledge, which will improve project results in the workplace.

"It is exciting to become part of the PMI R.E.P team and help to further project management knowledge and the Project Management Institute's best practices in project management," stated Roy Mathena, President of PSI Project Management, Inc.

PSI Project Management, Inc. joins more than 1,500 R.E.P.s in more than 80 countries. These organizations include commercial training providers, academic institutions, and corporate training departments within corporations and government agencies.

#### **About PSI Project Management, Inc. (PSIPM)**

PSI Project Management, Inc. (PSIPM) was founded in 2002 and provides project management and process improvement services. PSIPM has broad international experience in aviation, electronics, manufacturing, design, information technology, and new product introduction. PSIPM provides professional solutions in project management to include assessing current project management practices, mentoring project managers, and coaching organizations as they update or implement their project management methodology. PSIPM project management courses offer extensive training in project management with a focus in three areas: 1. Preparation for the PMP<sup>®</sup> /CAPM<sup>®</sup> exam; 2. Improved project performance; 3. Working knowledge of PMI's *A Guide to the Project Management Body of Knowledge (PMBOK<sup>®</sup> Guide)*. PSIPM provides more than a project management course; PSIPM is committed to helping you achieve your goal. Visit us at [www.psipm.com](http://www.psipm.com).

#### **About Project Management Institute (PMI)**

Project Management Institute is the world's leading not-for-profit professional membership association for the project, program and portfolio management profession. Founded in 1969, PMI delivers value for more than 2.9 million professionals working in nearly every country in the world through global advocacy, collaboration, education and research. PMI advances careers, improves organizational success and further matures the profession of project management through its globally recognized standards, certifications, resources, tools academic research, publications, professional development courses, and networking opportunities. As part of the PMI family, Human Systems International (HSI) provides organizational assessment and benchmarking services to leading businesses and government, while [ProjectManagement.com](http://ProjectManagement.com) and [ProjectsAtWork.com](http://ProjectsAtWork.com) create online global communities that deliver more resources, better tools, larger networks and broader perspectives.
